

FREE INFORMATION WORKSHOP FOR YOUR SENIOR STUDENTS!

Do any of your students want to break into the Events Industry?

Attention: Principal / Careers Advisor,

Would your students benefit from listening to a multi-talented, **award winning** Event Manager who over the last 8 years, has produced and delivered **literally hundreds of innovative, seamless and highly successful events?**

Melissa has designed a 1 hour information workshop which will not only help your students **gain a better understanding of what is truly an amazing industry** but will also inform them of ways to **fast-track their success** in this highly competitive industry!

Topics included in the workshop are:

- Melissa's extraordinary journey from leaving school to launching her own company
- A day in the life of...
- The importance of networking, contacts and finding a mentor
- Courses and accreditation
- The varied roles involved in staging events
- Industry associations
- Volunteering and work experience
- Industry perks
- Tips and tricks to gaining a competitive advantage and fast-tracking your success

For further information, please call 0412 880 125 or visit www.melissaparkevents.com.au
